

Jimmy Washington

INDEPENDENT LIVING

Find out why we've earned the heartfelt recommendations of our residents.

There are so many reasons seniors love living at Hamlet, and we'd like to introduce you to a few of the folks who've found their ideal home here.

Jimmy Washington

When Jimmy Washington decided to move from his previous home, he was intent on finding just the right place for his future — the perfect location with all the amenities he was looking for. "I had gone to see 11 different homes and I didn't like any of them until they found a house for me at Hamlet. I fell in love with it. It's a great place, and very affordable."

As an avid cook, Jimmy appreciated having a smaller space to manage while being able to customize his new home at Hamlet with an expanded kitchen. Living in his 1,600-square-foot home, he can cook to his heart's content and grill on his patio without worrying about life's other chores. "It's ideal. It makes a difference to have help with housekeeping and if I want anything done, all I need to do is ask."

Jimmy's delighted that his long search brought him to a place where he feels right at home. "I'm very happy here. Everybody gets along great and I've never seen someone that wasn't happy."
