## INDEPENDENT LIVING

Find out why we've earned the heartfelt recommendations of our residents.

There are so many reasons seniors love living at Hamlet, and we'd like to introduce you to a few of the folks who've found their ideal home here.

### Mar Gorczyca

When Mar Gorczyca added up the numbers, moving to Hamlet at Chagrin Falls from her large house near Cleveland simply made sense. "I compared the costs of owning my house to the costs of living in an independent living apartment and it was more economical to live here."

Not only could Mar save on costs by downsizing, but it also gave her relief to organize and purge her belongings herself before any unexpected life changes occurred. "Eventually you're going to have to downsize, and you might as well do it now rather than leaving it for your relatives."

Since her retirement from working as a purchasing agent, she was looking for a stress-free, sociable lifestyle. Mar has found great joy in Hamlet's yoga classes, walking groups, happy hours and community gardens — not to mention the simpler moments spent with new friends. "My neighbors and I sit in a semicircle outside each evening and talk about the day. We meet people as they walk by with their pets and get to know their life stories."
